MENNA KHALED ELHOSARY

Junior Data Analyst | Excel • SQL • Power BI • Tableau • Python

Tanta, Egypt | +20 112 004 8239 | melhosary297@gmail.com

Portfolio | GitHub | LinkedIn

PROFESSIONAL SUMMARY

Data Analyst candidate and Computer & Automatic Control Engineering student at Tanta University with hands-on experience in data cleaning, exploratory data analysis (EDA), data modeling, and interactive dashboard development. Proficient in Excel (Power Query, Power Pivot, DAX), SQL, Power BI, and Tableau. Experienced in turning raw datasets into KPIs, business reports, and data visualizations that support decision-making. Seeking a Junior Data Analyst or Data Analyst Internship role.

TECHNICAL SKILLS

Data Analysis: Data Cleaning, Data Validation, Exploratory Data Analysis (EDA), KPI Analysis, Business Reporting, Data Storytelling

Microsoft Excel: PivotTables, PivotCharts, Power Query, Power Pivot, DAX, Dashboards

BI & Visualization: Power BI, Tableau, Interactive Dashboards, Data Visualization

SQL: Data Retrieval, Filtering, Aggregate Functions, JOINs, Relational Databases

Data Modeling: Relational Data Modeling, Data Transformation, Calendar Tables, DAX Measures

Programming: Python (Learning), C++

PROJECTS

Excel

Brazilian E-Commerce Analytics Dashboard (Olist) | *Power Query, Power Pivot, DAX*

- Analyzed a large e-commerce dataset covering sales, customer behavior, delivery performance, product categories, satisfaction, and seller performance.
- Built six dashboard views: executive performance, logistics, customers, products, satisfaction, and sellers.
- Developed a relational data model and DAX measures to calculate business KPIs.

World Happiness Report Analysis (2020–2024)

- Analyzed happiness indicators across years and countries, and examined their relationship with socioeconomic factors.
- Presented findings through clear visualizations.

IBM HR Analytics: Employee Attrition & Performance

- Analyzed attrition patterns and workforce indicators, and built visualizations to highlight key trends.

Power BI

Sales Performance Analysis

- Developed an interactive dashboard to monitor sales performance, trends, and key business KPIs.

AdventureWorks Sales & Business Performance Dashboard

- Analyzed sales and business data using interactive visuals and performance indicators.

Northwind Traders Sales & Business Performance Dashboard

- Analyzed sales, product, and customer performance using the Northwind database.

Tableau

Retail Sales Dashboard

- Built a visual dashboard to explore retail sales trends and present key performance indicators.

SQL

E-Commerce Data Analysis

- Wrote SQL queries using filtering and aggregate functions to analyze e-commerce data.

Chinook Database Analysis

- Queried relational data to extract insights and perform structured analysis.

Company Database Analysis

- Used SQL JOINs to combine related tables and retrieve meaningful information.

PROFESSIONAL EXPERIENCE

Freelance Service Provider | *Mostaql & Khamsat*

- Delivered 60+ services to 40+ clients through online freelance platforms.
- Gathered client requirements and delivered organized, high-quality work on schedule.
- Strengthened communication, time management, and attention to detail.

EDUCATION

Tanta University, Faculty of Engineering
B.Sc. in Computer and Automatic Control Engineering | Expected Graduation: 2028

TRAINING & CERTIFICATIONS

Data Analytics & BI Training (Power BI & Tableau), Information Technology Institute (ITI) | July 2026 – August 2026
Artificial Intelligence Ambassadors, NTI & Engineers For a Sustainable Egypt | June 2026 – July 2026
Thinking Like an Analyst, DataSkool & Maven Analytics
